## Welcome to the Land born from the Sea !

If you wish to go on true holidays at the countryside, South Vendée, with its neverending horizons, its nature reserves, its historic heritage, its arts and crafts, its gastronomy, its sandy beaches and 250 sunny days a year, is probably one of the nicest places !!!

In the little village of Grues, we intend to welcome you as friends so that you can spend unforgettable moments in a high quality host room !

## Location

Grues is a little village located 16km from Luçon in Vendée, in the region of Pays de Loire.

When you're on the A83 highway (Nantes - Niort), you must take the exit n°7 towards Luçon. Then you'll be driving on the National road N137 which goes through St Jean de Beugné, Ste Gemme la plaine and finally Luçon. There you must follow the signs showing town centre. At one point, you'll find a sign showing l'Aiguillon sur Mer or Triaize on your left. Take this road (the D746). Once you've arrived in Triaize, turn right towards St Denis du Payré (road D25). In St Denis du Payré, stay on the D25 towards Grues.

Once you're in Grues, you must stay on and follow the Avenue de Lattre de Tassigny. Go straight. Turn right in the Rue du 11 novembre. At the crossing, go straight into the Rue du Sablon. Look for n°15, here you go !
